

CANDY IS DANDY

**BUT WITH APC, YOU'LL GET TO
MARKET QUICKER**

RE APC Recycle Ready Solutions

Whether you call them sweets, treats or confections, we love candy. And we love creating eye-catching, innovative and irresistible packaging for it, too! We've had the pleasure of creating effective, attention-grabbing packaging for a wide variety of confections, using our award-winning printing capabilities and industry expertise to produce the kind of innovative packaging today's customers want. And since caring is sharing, that includes reclose/reseal package options.

Our digital processes and streamlined engineering approach enable us to quickly go from idea to prototype to store shelf and web page—whether it's stand-up pouches, twist wrappers, lidding, bars or flow wraps. We'll also help you make the most of seasonal and holiday sales windows with special themed packaging and eye-catching promotional opportunities. How sweet is that?
